Dr. Sanjoy Pal, PLF

Member Secretary

Director, Physics group, BARC and Dean NSF, TIFR will be the advisors to this committee on broad policy matters and would be consulted on major decisions.

The committee will look after operations, utilization and maintenance of the TIFR-BARC Pelletron Linac Facility; planning of the overall growth of facility, associated infrastructure and support laboratories; optimum utilization of resources (space, manpower and budget) and preparation of periodic progress reports. The Committee will oversee the utilization of the PLF for scientific programmes as determined by the PLPIC.

The Faculty member-in-charge of operations, TIFR and Officer-in-charge Pelletron BARC will jointly oversee the assignment of staff for day-to-day operations and ensure smooth functioning of the facility.

The Committee will meet once in every two months and the Joint Chairpersons may co-opt additional members depending on the nature of the issue discussed. The minutes of the committee will be sent to the Director, BARC and Director, TIFR.
