NOTICE

SSL-VPN Server Upgradation

Computer Centre is upgrading the operating system of the SSL-VPN Server due to critical nature of vulnerabilities. This up-gradation activity needs downtime on **3rd July 2019 from 7:00 AM. to 8:00 AM.** In view of this, VPN services will not be available during the above said period. VPN Users are requested to make a note of this and schedule their activities accordingly.

We regret the inconvenience caused to users.
