

# **NOTICE**

## **SolidWorks Education 2019-2020 Software**

Latest version of SolidWorks Network License Manager has been implemented at Computer Center License Server. Now users can install/upgrade SolidWorks Education 2019-2020 at their Desktop/Laptop.

Users are requested to visit below url for the installation procedure of SolidWorks Education 2019-2020.

[http://www.tifr.res.in/~cccf/cccf/faq.php#accordion12\\_189](http://www.tifr.res.in/~cccf/cccf/faq.php#accordion12_189)

Those who want to use old versions, can continue to do so without any changes.
