DEPARTMENT OF ASTRONOMY & ASTROPHYSICS

ASTRONOMY SEMINAR

January 5, 2010

Speaker : Prof. Michal Ostrowski
Jagiellonian University, Poland

Title : A review of H.E.S.S. results

Day, Date & Time : Tuesday, 19 January, 2010 at 11.30 hrs

Venue : Lecture Room (AG-66)

(J.S. Yadav)

Abstract

A short review of most interesting results of the H.E.S.S. gamma ray observatory will be presented, including variety of objects in our Galaxy and interesting extragalactic objects/observations. I will also present our current activity in construction of CTA – a future large gamma ray observatory.
