

General information for TAMI10 participants

- Please carry a photo ID card. It may be required for identification at the entrance gate.
- Being situated in the defense area, photography around / outside TIFR is not permitted. You are advised not to carry any photographic device inside the TIFR.
- If you are carrying a laptop computer, it is necessary to obtain a permit for the same from the security gate. Kindly fill the attached form with necessary details and submit it to security officer at the time of entry. The permit should be submitted back to the security officer, at the end of your stay.

In case of any difficulty please contact:
