Application to the Indian team for

International Conference on Women in Physics (IUPAP)

13-17 July 2020

Melbourne, Australia

(The abstract/descriptions should be limited to a maximum of 300 words. Attach separate sheets if needed.)

1. Name:
2. Institute:
3. Academic Status (student/post-doc/research associate/other)\(^1\):
4. a) A brief description of your motivation to attend this meeting:
   b) Have you taken part in any activities related to gender diversity in the physics profession? Give
details on a separate sheet.
5. a) Do you plan to submit a scientific contribution to the meeting\(^2\)? If so, attach a tentative abstract.
   b) Should an opportunity arise in the working group presentation, do you intend to make a presentation
related to gender diversity in the physics profession? If so provide an abstract for the same.
6. Details of Funding support (Please give details):
   a) For international travel:
      i. Are you planning to apply for international travel grants from Government bodies
         DST/CSIR/INSA?\(^3\)
      ii. any other sources (give details)
   b) For registration fee and accommodation

The completed application form should be sent before 30\(^{th}\) Dec. 2019 by email to
sruba.goswami@gmail.com with “Application to ICWIP-2020” in the subject field of the
mail.

For any further questions, please contact (with “ICWIP-2020” in the subject field):

Dr. Srubabati Goswami, Country team leader (India) for ICWIP 2020
Physical Research Laboratory
Navrangpura
Ahmedabad - 380 009
sruba.goswami@gmail.com

---

\(^1\) If you are a PhD student, a recommendation letter from the thesis supervisor or a senior
physicist should be sent directly to the given the email address before 30\(^{th}\) Dec. 2019.

\(^2\) All contributed scientific presentations, if accepted by ICWIP SOC, will be presented in the
form of posters.

\(^3\) Since most of these organizations typically support an international travel once in 3yrs, you
may not be eligible for the travel grant if you have availed the same within the last 3 years.
