

NUFACT10
XII International Workshop on
Neutrino Factories, Super beams and Beta beams
20 - 25 October 2010
Tata Institute of Fundamental Research, Mumbai, India

Second Bulletin

Latest information on airport pickup arrangements, receipt of registration fee and other information which will be useful on your arrival at Mumbai airport are being uploaded/updated continuously on the workshop's web page, under 'Useful information' tab. Please keep visiting this area often and please refresh your web browser to load the latest updated content.

Please confirm - if you have opted for, that your airport pickup is arranged as per your choice. Please let us know immediately in case of any problem. If you have opted for airport pickup by your hotel, you would have received confirmation directly from them.

Buses are arranged to take the delegates from various hotels to the workshop venue and bring them back in the evenings/nights. For the first day of the workshop, the buses will leave from the hotels as per timings given below. Kindly be ready to board the buses at this time. Timings for the subsequent days will be informed later.

1. Taj President: 0745, 0815 hours
2. Trident: 0800 hrs
3. Fariyas: 0745 hrs
4. YWCA: 0800 hours

Registration timings at the conference venue: Oct 20, 0815-0900 hours

Those of you, who have requested for remitting the registration fee at the venue, may pay the same in Indian Rupees only. So please make the money exchange at the airport. You will also need INR 1000/- in cash to be paid for your airport pickup service arranged by the organisers.

Mumbai is usually warm and humid during this time of the year. However, it seems to be relatively more pleasant this year with an average temperature of about 25 degree Celsius.
