

Invited Talks

1. Presented a talk " Misconceptions in Science" at the INSPIRE (DST) program at Swami Ramanand Teerth University, Nanded on 2 September, 2015
2. Presented a talk "Activities of Nuclear world" at the INSPIRE (DST) program at Utrakhnad University, Srinagar, December, 2012.
3. Presented a series of lectures at Department of Physics, University of Yangon, Myanmar, on the topic of Nuclear Models and experimental techniques February, 2006.
4. Presented a invited talk "Detectors in Nuclear Structure Physics", at Nuclear Science Center on Detectors on March 14, 2003.
5. Presented a Colloquium at TIFR, titled "Nuclear Shapes: Physics and Experimental Challenges", Nov 2000
6. Presented a Colloquium at Indian Institute of Technology, Kanpur, "Nuclear Shapes: Physics and Experimental Techniques", Sept 2000.
7. Presented at Symposium on Nuclear Structure Physics -VI, Chennai, titled "Development of Nuclear Detector Array Facility , at TIFR", March, 1999.
8. Presented at DAE symposium, held at BARC, Mumbai, titled "Recent Developments of Nuclear Techniques at T.I.F.R " Dec, 1998.
9. "Recent Developments in Nuclear Techniques" at University of Mumbai, Sept, 1998.
10. Presented at Symposium on Nuclear Structure Physics-V, Chandigarh, titled "Lifetime measurements in A₈₀ region", March 15-20, 1998.
